

Online order and delivery form

Please tick the appropriate service and select measurement. Please State leg measurement required shortening. This can be done by measuring how much hem you would like shortening. For example : 1, turn up the bottom of trouser measure and write down that measurement. 2, Then measure from right in the middle of crutch seam and follow right down the inside leg to the new length required 3, Then fill out the form below stating these measurements.

All prices include return postage and packing by recorded delivery.
